Response from the college:

The college has permission from the Government of Maharashtra and affiliating university for one division of each class, and the intake capacity of a division is 120. If demand from the students is more than the intake capacity, in this case, the college request the affiliating university to increase the admission capacity. The university permits 10 % extra of the sanctioned intake of a class.

The college admits the students as per the eligibility criteria laid down by the affiliating university and submits the admitted list to the university for eligibility confirmation.

The affiliating university verifies the documents of the admitted students and accordingly sends its approval to the college.
