Response from the college:

During the assessment period, the college teachers participated in seminars, conferences, and workshops organized by other institutions. The said institutions have provided participation to the teachers without charging registration fees and a launch during the activity. The college provided them with a duty leave distance between these two institutes below 40 kilometers, and hencece no need to pay for their travel and dearness allowance.

The teachers themselves pay the registration fees for membership in their departmental professional bodies like Indian National History Association, National Geography Council, and National Public Administration Council.
